Professor of Science  
(Institute of Physics)  
The University  
Rio de Janeiro, Brazil

Dear Professor Ribeiro:

I would be very much interested to obtain reprints of  
your work on the thermo<sup>di-</sup>electric effect.

I saw the write-up by Wlerick of 1948 and if you have any  
papers in more detail I would appreciate to obtain them.

Very sincerely,

Dr. K. Lark-Horovitz  
Head, Dept. of Physics
