Dear Sir:

We have never had a reply to our letter of April 23 in which we asked if there was an English translation of your thesis "Sobre o fenomeno thermodieléctrico." If not, we asked if it would be possible to obtain a copy of the original. We should be glad to remit for any cost that might be incurred for this work. We are writing you again in case our first letter did not reach you.

Very truly yours,
SHELL DEVELOPMENT COMPANY
